

Pay your Travelers bill through your bank account or VISA[®] or MasterCard[®]

Two automatic payment plan options

Instead of spending time paying bills yourself, arrange to have your Travelers bill paid automatically through your...

1. Checking account with Electronic Funds Transfer (EFT), or
2. VISA or MasterCard with Recurring Credit Card (RCC)

Either way, your bill will be paid whether you're on vacation or just too busy to spend time paying bills.

The benefits of our automatic payment plan program

Travelers Automatic Payment Plan helps customers save time, money and hassle. Whether you enroll in EFT or RCC, you'll like the many benefits of our Automatic Payment Plan program.

No worries. With our Automatic Payment Plan, you'll never have to worry again about when your bill is due, whether or not you have stamps on hand or when you'll find time to get to the post office.

No checks. Travelers Automatic Payment Plan is far easier than writing checks.

Reduced fees. You can avoid the likelihood of late fees. And compared to paying monthly premiums by check, you may reduce your monthly service charges*. Those savings can add up over the course of a year.

Reliable. Unlike a check, your automatic payment is processed on the date that you specify** so it is easy to track. Your bank or credit card statement provides a record of payment.
